Permit No. 1972-5
Supplemental Permit No. 74-122

Industrial Building Operations
26th and State Street - P. O. Box 215
Chicago Heights, Illinois 60411

Gentlemen:

Supplemental permit is hereby granted to Industrial Building Operations to accept up to 6000 yd.³/yr. lime softening sludge generated by the Village of Park Forest Illinois all in accordance with the plans prepared by Leonard C. Triem and an on-site inspection conducted by this Agency's Region II Office, Aurora, dated July 22, 1974 and made August 26, 1974 respectively. This supplemental permit is further subject to the following special conditions:

- (1) Sludge shall be deposited in shallow layers and covered with soil in an area of the fill remote from daily operations.
- (2) Sludge shall be utilized as final cover only upon having been equally apportioned with clay or other suitable material.
- (3) Authority granted under this permit shall expire one year from date of issuance.

Except as modified in the above documents, the site shall be operated in accordance with the terms and conditions of Permit No. 1972-5, dated January 21, 1972.
